This should take 2-3 business days. In the meantime, simply use the convenient upload feature to “Self-Report” via a spreadsheet (using the acceptable registered format or PayPro template). ADP and PayChex have declined to participate in this program; if this is your provider, simply use the upload feature.</i></p> |
| <p><b>7.</b> Identify owners and/or officers and their class code</p> | <p>Enter their information and click “Add Owner/Officer” for each. To exclude your officers, or you don't report them separately, check “No Officers/Owners.”</p>  |
